In certain circumstances, fees may be discounted depending on a variety of factors, including the nature and complexity of the service, the size of the account, the potential for additional business, the amount of work anticipated, and the attention needed to manage the client's account. It is the general policy of the Firm to not charge any client a commission exceeding 3.00%. The Firm will periodically review all fees assessed to our clients to ensure our billing practice is consistent with this policy. The Firm, at it discretion, may authorize exceptions to this policy at the discretion of senior management. In order to avoid conflicts of interest, the Financial Consultant's compensation will be reduced in proportion to any discount when applicable.
