Fixed loan APRs (with ePay) range from 7.99% to 24.99% and are subject to change without notice. Loan amounts range from \$5,000 to \$50,000. Loan repayment terms range from 36 months to 84 months. Personal Loan Monthly Payment Example: For a personal loan of \$20,000 with a 60-month term at 15.49% APR, the monthly payment amount is approximately \$480.96 to repay your loan in 60 payments. This example is an estimate only and assumes all payments are made on time. Same-Day Funding: Based on the time your application is received, same-day funding is available in many cases, depending on your creditworthiness and the funding instructions you provide.
