Grow your checking or savings with direct deposits to your Santander® account.

Direct Deposit
Direct deposit is a convenient way to have your paycheck electronically deposited into your checking or savings account by your employer.

Easier
No waiting for paper checks to arrive in the mail, which you then have to deposit.

Faster
Funds are available more quickly through regularly scheduled electronic deposits.

Safer
Enjoy more security because you don’t have to carry around easy-to-lose paper checks.

Simpler
Split direct deposits into multiple accounts to help you budget and manage your money.
To set up Direct Deposit for your Santander account, you’ll need to provide the depositor with:

- Your account number.
- Your routing number:
  - If your bank account number has 11 digits, the bank routing number is 011075150.
  - If your bank account number has 10 digits, the bank routing number is 231372691.
  - It can also be found on your checks, or under Account Info in Online and Mobile Banking.
- The amount from each payment to automatically deposit to your checking or savings account.

To find your routing number and account number in Santander Online Banking:

1. **Log in** to Santander Online Banking using your credentials (User ID and Password). Remember, it’s important to log out at the end of each banking session.

2. Select your Santander account from the overview screen.

3. From the Account Details page, click “More Info.”

4. You’ll find both your routing number and account number there. Select “Show” to reveal your full account number.

5. Provide your depositor with your routing number, account number, and the amount you’d like deposited from each payment into your Santander account.
To find your routing number and account number in your Santander Mobile App:

1. Open your Santander Mobile Banking App and log in using your credentials (User ID and Password). Remember, it’s important to log out at the end of each banking session.

2. Select your Santander account from the Overview screen.

3. Click the quick link: Account Info.
4 You’ll find both your routing number and account number there. Select “Show” to reveal your full account number.

5 Provide your depositor with your routing number, account number, and the amount you’d like deposited from each payment into your Santander account.

Success. It’s done.
Now you can start receiving Direct Deposits to your Santander account.
