Specialized Program Meets the Unique Needs of Affluent Clients

BOSTON, October 8, 2015 – Santander Bank, N.A. announced today that [Santander SelectSM](#) Services are now available at its Boston branch on 800 Boylston Street. The Boston location is the seventh Santander branch in Massachusetts to offer Santander Select's personalized banking and investment services.

Santander Select is a specialized program designed for affluent clients who desire a more personal approach to meeting their financial goals, needs, and priorities. Among the program's many benefits, clients have access to a personal banker, a dedicated suite of Santander's most valuable products and investment services along with many complimentary features. Santander Select bankers have extensive training and work with clients to understand their short and long-term needs. Select bankers partner with financial consultants to tailor strategies to meet the client's individual financial goals and risk tolerance.

Other Select privileges include access to Santander Select Member Services, a dedicated VIP direct service line; no fee access to more than 30,000 Santander ATMs globally for Select World MasterCard Debit Card holders; no international transaction fee for debit card purchases, a concierge service, trip insurance, and priority access to airport lounges.

"With Santander Select, customers know they are getting the highest level of personal attention and specialization in meeting their banking needs," said Michael Bruno, Santander region president for Northeast New England. "By building deeper, one-on-one relationships with our Select clients, we are helping them make the right financial choices to plan for the future and achieve their personal and professional goals."

Launched in Boston and New York City in March 2014, Santander Select is currently available to clients at 21 branch locations in Massachusetts, Rhode Island, New York, New Jersey and Pennsylvania with plans to expand this service across the Bank's footprint in the northeastern United States. The service complements the Bank's current products and services to create the greatest value for customers' complex financial needs and goals.

"Santander Select is designed to enhance and personalize the banking experience for our customers," said Donna Wolfe, Santander Branch Manager at 800 Boylston Street. "We know from speaking with our customers that they want to make the most of their money in both the short and long-term.
