

Conferma Pay quick guide

How to register your account and sign in.

Download the Conferma Pay App

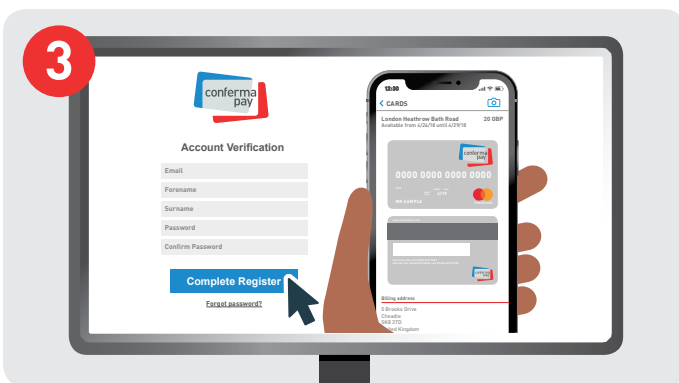

Download Conferma Pay from you phone's app store.

Register for Conferma Pay

Visit <https://app.confermapay.com/> and fill in the account registration form.

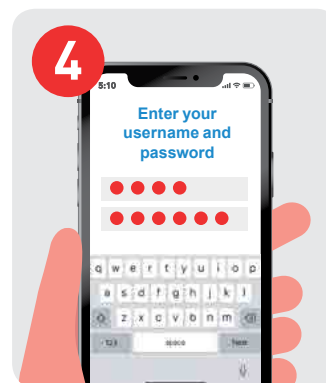

It is recommended to use your company email address — if you use a personal email address, you will only access trips that have been automatically linked.

Verify your account

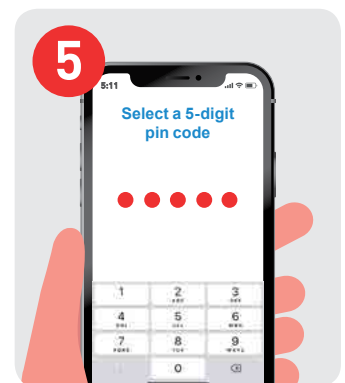

Check your email inbox and click the verification link sent to you.

Once the link has loaded, enter your password created in step 2, choose a security question, then click complete registration.

Conferma Pay Sign-in

Enter your username and password you setup on the website into the app.

Select a 5-digit PIN code

This PIN will be used for ALL future log ins.

 Congratulations on registering and signing into Conferma Pay
