Statement on the Consent Order Issued by the Consumer Financial Protection Board (CFPB)

Santander Bank is committed to always treating our customers fairly and ensuring our vendors do too. We regret that the vendor we hired to promote our overdraft service may not have followed our instructions and we did not supervise them as closely as we should have. These actions, which occurred several years ago, do not reflect our values and fell short of the high expectations we have for ourselves and our vendors. We are terminating our relationship with the vendor and are continuing to implement additional controls to ensure more effective oversight of our vendors and our processes.
