I. GENERAL DESCRIPTION OF AGREEMENT

A. WHAT THIS AGREEMENT COVERS

This Agreement between you (“You” and “your” refer to the Santander Bank customer who has enrolled in Digital Banking) and Santander Bank, N.A. (also referred to herein as “Santander,” “we,” “us,” and “our”) governs the use of our digital banking service (“Digital Banking”). Digital Banking permits Santander consumer banking customers to perform a number of digital banking functions on accounts linked to the service through the use of a personal computer or a mobile device. Unless otherwise indicated, “linked accounts,” or “accounts linked to the service” refers to all of your Santander Bank consumer accounts that you have linked to online or mobile banking.

The purpose of this Agreement is to inform you about the features, functions, and appropriate uses of Digital Banking, as well as inform you your rights under Regulation E and Electronic Fund Transfer Act, if applicable. If your deposit account is used primarily for business purposes, please also refer to Section V. Business banking accounts are subject to the terms and conditions of the Business Online Banking Agreement and the Business Deposit Account Agreement.

B. ACCEPTING THE AGREEMENT

When you use Digital Banking, you agree to the terms and conditions of this Agreement. We may change the terms of this Agreement, including any fees and features of your account, at any time. By continuing to use Digital Banking after the effective date of any change, you agree to the change. You may not assign this Agreement.

We may, from time to time, introduce new features to Digital Banking or modify or delete existing features in our sole discretion. We shall notify you of any of these changes to features if we are legally required to do so. By using any new or modified features when they become available, you agree to be bound by the rules concerning these features.

You agree not to use Digital Banking for any other purpose, including commercial purposes, such as co-branding, framing linking, or reselling any portion of Digital Banking without our prior written consent. You further agree not to use Digital Banking to pay payees to whom you are obligated for tax payments, payments made pursuant to court orders, fines, payments to loan sharks, gambling debts, or payments otherwise prohibited by law. You agree not to attempt to log on to Digital Banking from any country under sanctions by the Office of Foreign Assets Control (OFAC). Information regarding which countries are under sanctions may be obtained on the U.S. Department of the Treasury website. Any attempt to log on to Digital Banking from one of these countries may result in your access being restricted and/or terminated.

C. DEFINITIONS

- **“Automatic Payment”** is a payment scheduled for a set amount at regular intervals. For example, you can schedule a payment on the first of each month to pay your mortgage or rent.
- **“Biller”** is the person or company you set up in the “BillPay” page of Digital Banking to receive a bill payment or is the person or company from which you receive electronic bills within BillPay.
- **“Business Day”** is every day except Saturdays, Sundays, and federal holidays.
- **“Due Date”** is the date reflected on your Biller statement on which the payment is due; it is not the late date, nor does it include any grace period.

- **“Payment Account”** is the Santander checking account from which a bill payment will be debited. You will need to designate a checking account to be the payment account at the time you schedule a payment. All of your eligible checking accounts will be displayed automatically.
- **“Scheduled Payment”** is a payment that has been scheduled through the service but has not been processed.
- **“Scheduled Payment Date”** is the day you want your Biller to receive your bill payment. If the Scheduled Payment Date falls on a non-Business Day, the Scheduled Payment Date will be the following Business Day.
- **“Transfers outside Santander”** are transfers between your eligible deposit accounts at Santander and checking, savings, or money market savings accounts at other financial institutions in the United States. The accounts may be owned by you or someone else, and can be established on the “Transfers” page of Digital Banking.
- **“Unavailable Funds”** are funds that are not available in your account for the time you schedule a transfer to occur. You agree to have sufficient funds in your account at the time you schedule a transfer to occur. If there are not sufficient funds in your account, the missing funds are considered unavailable.
- **“Alerts”** are opt-in notifications that you, as a customer, can establish. You must select your preferred delivery method (email, SMS text, or push notification), and these notifications will be sent via the delivery method selected.

D. RELATION TO OTHER AGREEMENTS

Your use of Digital Banking may also be affected by the other agreements between you and us for your deposit or other linked accounts. When you use Digital Banking, you are governed by this Agreement as well as the agreements you already have with us for any account linked to Digital Banking, including but not limited to the Personal Deposit Account Agreement. You should review those agreements for any applicable fees, availability of deposits, limitations on the number of transactions you can make, and other restrictions that may impact your use of Digital Banking. To the extent there is a conflict between the terms of this Agreement and your applicable account agreements with us, the terms of your account agreement will control except as may be otherwise stated herein. In the event of a dispute arising under or relating in any way to this Agreement or to the use of Digital Banking provided under this Agreement, you and we agree to resolve this dispute by looking to the terms of this Agreement. If there is a conflict between what one of our employees says and the terms of this Agreement, the terms of this Agreement shall control.

E. LIMITATION OF SERVICE

We have the right to revoke, refuse access to, or terminate Digital Banking at any time, without cause or notice. If we do, you understand that any scheduled transactions will not be made. You will be denied the use of Digital Banking if you do not enter the correct login information. There is a limit of three (3) failed login attempts and your access to Digital Banking will be suspended if you exceed these limits. If you need to reset your User ID or password, follow the steps provided within the Digital Banking platforms.

You can also contact our Customer Service Center at 877-768-2265 or visit a branch for help resetting your login credentials. If you access Digital Banking through our mobile application, all of the features of online banking may not be available. To access all features and services offered through online banking sign in directly to our website at www.santanderbank.com. Please refer to this Agreement, your Personal Deposit Account Agreement, or Product Guide and Fee Schedule for information on fees and digital services.

F. SERVICE FEES

We do not charge a service fee for the use of Digital Banking at this time. However, some services offered through Digital Banking, such as stopping payment of a check, may incur additional service fees. We reserve the right from time to time to add or modify fees and will notify you when we do so. You will be responsible for paying any telephone company or utility charges and/or Internet access service fees incurred while using telephone lines and/or Internet access services to connect with Digital Banking. Please see our Personal Deposit Account Fee Schedule for our standard fees and charges.

C. USING YOUR PASSWORD

Your password acts as your signature as the owner and sole user of the User ID for your personal Digital Banking service. Your password is an identification code that is personal and confidential. The use of the password with the service is a security method by which we are helping you maintain the security of your account(s). Therefore, YOU AGREE THAT YOU WILL NOT DISCLOSE YOUR PASSWORD TO ANYONE AND THAT YOU WILL TAKE ALL REASONABLE PRECAUTIONS TO ENSURE THAT NO ONE ELSE LEARNS YOUR PASSWORD. YOU AGREE THAT IF YOU GIVE YOUR PASSWORD TO SOMEONE ELSE TO USE OR ALLOW THEM TO ACCESS THE SERVICE, YOU ARE AUTHORIZING THEM TO ACT ON YOUR BEHALF AND YOU WILL BE RESPONSIBLE FOR ANY USE OF THE SERVICE BY THEM UNTIL YOU TELL US THAT YOU HAVE REVOKED THIS AUTHORIZATION.

If you permit any other person(s) or entity, including any data aggregation service providers, to use Digital Banking or to access or use your card numbers, account numbers, PINs, User IDs, passwords, or other means to access your accounts, you are responsible for any transactions and activities performed from your accounts and for any use of your personal and account information by such person(s) or entity. You agree to: 1) keep your User ID and password secure and strictly confidential; 2) immediately notify us of any change in status, or authority, of any authorized signer on record with the bank; and 3) immediately notify us and select a new User ID or password if you believe your User ID or password is known or may be used by an unauthorized person. Santander will have no liability to you for any unauthorized payment or transfer made using your User ID or password that occurs before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice. We may suspend or cancel your use of Digital Banking without notice from you if we suspect your User ID or password is being used in an unauthorized or fraudulent manner.

D. ACCOUNT ACCESS FOR LINKED ACCOUNTS

There are three levels of account access that can be assigned to each of your linked accounts. We automatically assign the highest level of access (Financial) to your account. The three levels are:

1. View – This level allows you to obtain current account balance and transaction information within the Online Banking platform. This level does not allow transfer of funds between linked accounts.
2. Inquiry Only – view and download account balance and history information.
3. Financial – view and download account balance and history information, perform transfers between linked accounts, and access BillPay to schedule payments.

If you would like to change your level from Financial to Inquiry or View only, please call the Customer Service Center at 877-768-2265.

E. SECURITY, LIMITATIONS, AND DOLLAR AMOUNTS FOR TRANSFERS

1. Automatic and future-dated transactions will be posted to your account on the Business Day you selected. If you selected a day that is not a Business Day, the transfer will occur on the next Business Day. Account statements and balances may not reflect transactions until the transactions have been officially posted to your account.
2. You agree to have sufficient funds available in your account at the time you schedule a transfer to occur. If you do not have sufficient funds in your account on the date the transfer is scheduled, we will not perform your transfer request. We reserve the right to impose unavailable funds fees, excess activity fees, or transfer fees. No further attempt will be made by the bank to process the transfer instruction. In all cases, you are responsible for rescheduling the transfer.
3. To cancel a future-dated or recurring (automatic) transfer, you can click the “Pending Transfers” option within the “Transfers” tab of Online Banking. One-time transfers scheduled for the same day may not be canceled.

Transfers between your accounts at Santander

1. You may transfer funds between your checking, savings, and money market savings accounts for any dollar amount between \$.01 and \$999,999.99.
2. Transfers you schedule on a Business Day before 10:00 p.m. ET will be posted to your account as of that Business Day and will be available to cover charges posted to your account that day. If you make a transfer on a Business Day after 10:00 p.m. ET or on a non-Business Day, your transfer will be posted to your account as of the next Business Day. Funds may be available immediately to cover ATM and card purchases.
3. Transfers to a line of credit or an installment loan must be in the amount of the payment due shown on your coupon or statement, and the Scheduled Payment Date you select must be on or before your Due Date in order to avoid late penalties and fees.
4. Transfers to an installment loan must be in the amount of your regular monthly payment and will be posted to your loan on the Scheduled Transfer Date.
5. Transfers to a line of credit will be posted to your loan on the Scheduled Payment Date as a payment.
6. Late, special, extra, or principal-only payments cannot be made using online or mobile banking.

Transfers to another customer at Santander

1. You may transfer funds from your checking account to checking, savings, and money market savings accounts of other Santander customers (subject to the limits described below).
2. Transfers you schedule on a Business Day before 10:00 p.m. ET will be posted to your account as of that Business Day. If you make a transfer on a Business Day after 10:00 p.m. ET or on a non-Business Day, your transfer will be posted to your account as of the next Business Day.

Transfers Outside Santander

1. To make Transfers outside Santander to a checking, savings, or money market savings account at another financial institution, you will need to select the type of account to which the funds will be transferred. It can be a personal account, a business account, or the routing number of the financial institution where the funds will be sent (complemented by the specific account number of the recipient account).
2. Transfers outside Santander will be processed within three (3) Business Days. Funds will be debited from your Santander account on the Business Day you direct us to initiate processing the transfer and will typically be credited to the recipient’s account in one to three Business Days after the transfer is initiated. Santander cannot guarantee the timely delivery of funds as a result of the failure of another financial institution to act in a timely manner.
3. The cut-off time for Transfers outside Santander is 8:00 p.m. ET on Business Days. Transfers requested after the cut-off time will be processed on the following Business Day. Transfers requested on non-Business Days will take effect on the next Business Day.
4. Future-dated transfers and recurring (automatic) transfers may be scheduled for up to one (1) year in advance.

Limits

Depending on the type of transfer, different limits may apply on a per-customer and per-account basis as outlined below:

	To another Santander Customer	To account at another bank
Daily limit without One-Time Passcode (OTP)	\$500	\$500
Daily limit with One-Time Passcode (OTP)	\$5,000	\$5,000
Monthly Limit	\$20,000	\$20,000

These limits do not apply to payments made through BillPay and made in any amount between \$.01 and \$99,999.99.

One-Time Passcode (OTP)

The One-Time Passcode (OTP) service provides a level of security by requiring you to authorize certain transactions. You will need to provide a cell phone number in order to enroll in the OTP service. Once you have enrolled in our OTP service, you will receive a text message to the cell phone number you provided. These text messages contain a unique, one-time passcode code that you must enter in order to complete some specific transaction. Once you enter the OTP correctly, your transaction will be confirmed.

Message and data rates may apply. Please check your mobile service agreement for details on applicable fees. Please note that some prepaid mobile plans do not support business-to-person text messaging, but do support person-to-person text messaging. Please contact your provider for details about your plan.

By providing your cell phone number when you enroll in the OTP service, you allow us to use an auto dialer to send you text message Alerts (See Section F. for more details). By entering your cell phone number, you agree to receive autodialed text messages to that number. Also, you confirm that you are the account holder of the account associated with that number or have received the consent of the account holder to provide their cell phone number.

To unsubscribe to the service, text "STOP" to 31565 at any time. After you text "STOP," you agree to receive one additional text message confirming your choice. For help, text "HELP" to 31565. SMS text message order delivery is not always predictable and text message notifications may be delayed or not received during regional emergencies or other periods of high messaging traffic.

The OTP service is available through the following carriers: AT&T, Verizon Wireless, Sprint, T-Mobile®, Boost Mobile, Cricket, Virgin Mobile USA, MetroPCS, U.S. Cellular®, Ntelos, Cellular South, Cincinnati Bell, Centennial, Bluegrass, Appalachian Wireless, Revol, Illinois Valley, United Wireless, Inland Cellular, West Central Cellular, ECIT, Immix, NexTech, Pocket Com USA, Pioneer Wireless USA, Simmertty US, Union Wireless, and Cellcom.

For questions about your OTP service, please call the Customer Service Center at 877-768-2265.

F. SANTANDER ALERTS

You can set up the Santander Alerts Service to receive opt-in Alerts via your email address, your cell phone on file that can accept text messages, or a cell phone that can receive our Mobile Banking App alerts through push notifications. Alerts allows you to receive important notifications triggered by specific account activities. You can choose to receive account (deposits and credit) related Alerts and/or security-related Alerts. Depending on the type of Alert, it may take up to two days for delivery. You agree that we are not liable for any delays, failure to deliver, or misdirected delivery of any Alert; for any errors in the content of an Alert or for any actions taken or not taken by you or a third party as the result of an Alert.

Text (SMS) Alerts

The Alerts Service gives you the option to receive notifications via text messaging about your account status and certain transactions. You must provide a cell phone number to receive text Alerts and enable the text message Alerts service for opt-in Alerts or auto-notifications. Once you have registered a cell phone number through the Alerts Service in online or mobile banking, you will receive a text message to the cell phone number you provided with an OTP that you must enter online or in your mobile device in order to confirm the enrollment.

Message and data rates may apply. Contact your service provider for details about your plan. Please note that some prepaid mobile plans do not support business-to-person text messaging but do support person-to-person text messaging. Please contact your provider for details about your plan.

By selecting a cell phone number to receive Alerts via text message, you certify that you are the owner or authorized user of the cell phone number and agree to receive autodialed text message Alerts to the enrolled number. To unsubscribe from Alerts Service texts, text "STOP" to 77541 at any time. After you text "STOP," you may receive a confirmation text message verifying receipt of your opt-out request. Alerts sent to the email address that you provided will be unaffected if you decide to opt-out of receiving text message Alerts. For help, text "HELP" to 77541. Text message order delivery is not always predictable and text message notifications may be delayed or not received during regional emergencies or other periods of high messaging traffic.

The Text Alerts Service is available through the following carriers:

AT&T, Verizon Wireless, Sprint, T-Mobile®, Boost Mobile, Cricket, Virgin Mobile USA, MetroPCS, U.S. Cellular®, Ntelos, Cellular South, Cincinnati Bell, Centennial, Bluegrass, Appalachian Wireless, Revol, Illinois Valley, United Wireless, Inland Cellular, West Central Cellular, ECIT, Immix, Nex-Tech, Pocket Com USA, Pioneer Wireless USA, Simmertty US, Union Wireless, and Cellcom.

For questions regarding receiving Alerts via text messaging, please call the Customer Service Center at 877-768-2265.

G. RECORD OF TRANSACTIONS

Details regarding your one-time and future-dated transfers are available in the "Transfer History" or "Pending Transfers" in Digital Banking.

H. STOP PAYMENT FEATURE

You can order us to stop payment on any check you write from your Santander checking account through Digital Banking. You cannot stop payment on a check if we have accepted, certified, paid, or otherwise become accountable for the check, except to the extent required by law. You must allow us a reasonable time to initiate your stop payment request. Your stop payment request will remain in effect for six (6) months and is subject to our regular stop payment fee. The stop payment feature may not be used with respect to any payment or transfer scheduled through Digital Banking. Please see our Personal Deposit Account Agreement for other provisions governing stop payment orders.

I. GETTING STARTED WITH BILLPAY

To use BillPay you must have the following:

- Access to Digital Banking either through a personal computer or a mobile device.
- At least one Santander checking account.
- At least one Biller added to your Biller List. All Billers can be added through Online or Mobile Banking.
- An active email account used regularly, if you are going to use the e-Bills service or reminder notification features.

J. USING BILLPAY

You may use BillPay to:

1. Make one-time or Automatic Payments from your Santander checking account to companies or individuals, which we refer to as Billers.
2. Use the Electronic Bills (e-Bills) service to:
 - View Biller statements and detailed information through a personal computer.
 - Receive notifications directly to your personal email account when a bill has been received.
3. Send us secure online mail messages and questions regarding the service through a personal computer.

Not all Billers participate in the e-Bills service. For a full list of Billers, call our Customer Service Center at 877-768-2265.

K. SCHEDULING A BILLPAY PAYMENT

Payments can only be scheduled from the Payment Accounts linked to Digital Banking.

Payments can be entered as:

1. One-time transactions up to one (1) year (365 days) in advance. *Note – 1 year is 366 days in a leap year.
2. Recurring (automatic) Payments.

Our ability to deliver your payment in a timely manner is dependent upon specific Biller requirements and accounts receivable processing times. When you attempt to schedule a payment, we will inform you of the earliest available delivery date. We recommend that you schedule bill payments at least four (4) Business Days prior to your Due Date. The Payment Calendar will only permit you to select a valid and available Payment Date. There are some Billers who offer shorter delivery times, and, therefore, do not require the four (4)-business-day scheduling time. When scheduling payments, you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. The Santander Digital Banking Guarantee does not cover payments scheduled after the Due Date. You will then be fully responsible for all late fees, interest charges, or other actions taken by the Payee.

Automatic Payments that fall on a day that is not a Business Day will be processed on the preceding Business Day. When entering a payment, determine the actual due date located on your Biller statement, or if using an electronic bill, the system will enter the Due Date for you.

Because we cannot predict the exact date that a personal check will be presented to us for payment, please make sure you have sufficient funds in your account beginning a few days before your scheduled delivery date and keep such funds available until the payment is deducted from your account.

L. BILLPAY PAYMENT CALENDAR

By using the Payment Calendar found within the BillPay service, you will be able to schedule your payment date. The Payment Calendar will indicate the first available date and all other available dates when your bill can be paid.

M. ELECTRONIC BILLS (e-BILLS) THROUGH BILLPAY

You can receive bills electronically from participating Billers. E-Bills must be requested using a personal computer.

1. **Approval of e-Bills.** Participating Billers establish their own criteria for reviewing requests to send e-Bills and have sole discretion in accepting or declining your request. Participating Billers typically require five (5) Business Days to act upon your request to receive e-Bills. Upon activation of the electronic bill feature, Digital Banking may notify the Biller of your request to receive electronic billing information. The receipt of the electronic version of your first e-Bill may vary from Biller to Biller and may take up to sixty (60) days.
2. **In some cases, we obtain the e-Bill from the website of the Biller.** To do so, we may ask you for information needed to retrieve the e-Bill, such as a required password. By providing this information, you are authorizing Santander to access the Biller's website on your behalf and retrieve your account information.
3. **Notifications.** There are two (2) types of e-Bill notifications:
 - a. **Electronic Bill via email** that notifies you of the delivery of an e-Bill and provides a summary of the bill (typically Due Date, amount due, balance, etc.), as well as the "Pay" button. After you click the button, you must sign in to BillPay
 - b. **Email reminder** that simply notifies you of the delivery of an e-Bill, but does not contain any summary information or payment options. You will receive an email message with the subject line: "You've got Bills."
4. **Timely delivery of e-Bills.** We have no control over the delivery of an e-Bill from a Biller and are not responsible for late delivery of an e-Bill, or for late payments resulting from a late e-Bill. If you do not receive an e-Bill, it is your responsibility to contact the Biller directly. If you have questions regarding the contents of your e-Bill, you should contact the Biller directly.
5. **Non-Delivery of e-Bills.** We are not responsible if the Biller fails to deliver an e-Bill. You are responsible for ensuring timely payment of all bills. Copies of previous e-Bills must be requested from the Biller directly. We are not responsible for the non-delivery of e-Bill notifications. It is your responsibility to maintain a current email address as displayed on the "My Profile & Preferences" page.
6. **Accuracy and dispute of an e-Bill.** We are not responsible for the accuracy of an e-Bill. If you have questions regarding the contents of your e-Bill, you should contact the Biller directly.
7. **Biller enrollment and personal information.** When you establish e-Bills with a participating Biller, you will be requested to provide personal information that will be forwarded to the Biller. If you have concerns about the Biller's use of this information, you should contact the Biller directly.

8. **Introductory e-Bill opportunity.** You understand and agree that selected Payees may provide e-Bills to you through BillPay for up to three months in order to introduce you to the convenience of online bill payment. We will notify you in advance of such introductory opportunities. Santander does not have access to and does not store detailed billing information contained in the e-Bill. Only you will have access to the detailed bill information. If at any time you choose not to participate in this introductory e-Bill opportunity, you have the following options:
- You can discontinue a specific e-Bill by logging into Online Banking and choosing to edit it. Select “Cancel the e-Bill Trial,” confirm your cancelation, and the e-Bill trial will end.
 - To be removed from future e-Bill trial enrollments, please email Customer Care. Please make sure to include the email address that you use for online banking messaging in your response to us.
 - If you wish to receive the e-Bills after the introductory period, please follow the instructions on the “e-Bills” page of Online Banking.
9. **Discontinue the e-Bills Service.** You may cancel the e-Bills service at any time by choosing the “Manage My Bills” option within BillPay. It may take up to sixty (60) days for an electronic delivery to stop. We will notify your Biller when you cancel an e-Bill. It is your sole responsibility to make arrangements for an alternate form of bill delivery.

N. BILLPAY PAYMENT METHODS

We will make payments you have scheduled through our BillPay service either electronically or by check. Although you will not be able to select how a Biller will be paid, most major Billers accept electronic payments. We encourage you to provide as much information as possible when setting up a Biller so that we can match your Billers to those in our database that accept electronic payments. If we pay by check, the check may either be drawn on our operating account or it may be drawn directly on your account.

If a Biller is paid electronically, the Biller will receive the electronic payment on the Scheduled Payment Date, or in some cases before. Electronic payments are deducted from your Payment Account on the Scheduled Payment Date, even if your Biller credits you sooner.

If a Biller is paid by check, we prepare and mail the check so that it will generally arrive at the Biller on the Scheduled Payment Date. If the check is drawn on our operating account, we will deduct the amount of your payment from your Payment Account on the Scheduled Payment Date. If the check is drawn directly on your account, the payment will be deducted when the Biller cashes the check and it is presented to us for payment. Depending upon the speed of the U.S. Postal Service and your Biller, this may occur before your Scheduled Payment Date. Make sure you have sufficient funds in your Payment Account as you schedule your payments. Also, if the check is drawn directly on your account, it will be returned to you in the same way as any other check you have written, with your monthly statement in the format specified in your Statement Check Options. It will look a little differently from the checks you write and will bear a six-digit check number that begins with “99.”

If we pay a Biller using a check drawn on our account and the Biller does not deposit the check within 90 days, we will automatically stop payment of the check and re-credit your account. If we pay a Biller by a check drawn directly on your account and it is not deposited within 180 days, you will need to contact us or send an email to request a stop payment on this check. You will need to either schedule a new payment or arrange to pay the Biller using another method.

O. ONLINE AND MOBILE BANKING GUARANTEE (For Consumer Accounts Only)

DIGITAL BANKING GUARANTEE: When you use Digital Banking with Santander, your money is protected against any online fraud or losses and we guarantee your bills are paid on time. You are protected against unauthorized online transactions as long as you take the appropriate steps to safeguard your account, check your statement regularly and notify us of any unauthorized activity promptly. Santander also guarantees that your bills will be paid on time and according to your instructions. We'll reimburse you for any late fees if we make an error in processing your payments. Your bills go where they need to go, and arrive when they need to, guaranteed. This does not include any delay caused by a Biller's failure to post your payment in a timely manner or any other delay caused by circumstances beyond our direct control. Our guarantee also does not apply to the payments described in Online and Mobile Banking Limitations, and Additional Provisions Applicable only to Consumer Accounts of this Agreement.

P. ONLINE AND MOBILE BANKING LIMITATIONS

1. BillPay payments can be made in any amount between \$.01 and \$99,999.99.
2. The limits for transfers are described in Section II-E of this Agreement.
3. You agree to have sufficient funds available in your account for the date any payment or transfer is scheduled. If you do not have sufficient funds in your account, we may refuse to complete the transaction or we may attempt to process the payment a second time. Regardless how many attempts we make to process your transaction, you will be assessed an insufficient or unavailable funds fee each time we attempt to process a transaction when there are not sufficient available funds to complete the transaction. If we are unable to complete a transaction because you do not have sufficient available funds, you are responsible for making an alternate payment arrangement.
4. Any payments or transfers you wish to pay through Digital Banking must be to a Biller or other recipient located in the United States. We reserve the right to restrict categories of Billers or other recipients to whom payments may be made using the service. You should not use Digital Banking to make:
 - a. Tax Payments.
 - b. Court-ordered payments.
 - c. Payments to settle securities transactions.
 - d. Satisfaction of loan-payoff amounts.
 - e. Timeshare payments.

If you choose to use Digital Banking to make these payments, such payments must be scheduled at your own risk. In no event will we be liable for any claims or damages resulting from you scheduling these types of payments. THE DIGITAL BANKING GUARANTEE DOES NOT APPLY TO ANY OF THESE TYPES OF PAYMENTS.

5. **Participation by Billers.** Occasionally a Biller may choose not to participate in BillPay or may require additional information before accepting payments. We will work with these Billers to encourage them to accept an electronic or check payment from the bank.

If we are unsuccessful, or if we determine that the Biller cannot process payments in a timely manner, we may decline future payments to this Biller. In the unlikely event that this occurs, we will send you a notice.

Q. CANCELING PAYMENTS MADE THROUGH BILLPAY

You cannot cancel a bill payment once it has begun processing or has posted to your account, although bill payments that are still pending may be canceled or modified.

After you cancel a payment, the status changes to “Canceled.” Canceled payments remain in your Payment History.

If you cancel one of your Automatic Payments three (3) or more Business Days before the transaction is scheduled to occur and we do not do so, we will be liable to you for losses and damages.

R. SANTANDER INVESTMENT SERVICES ACCOUNTS AND BALANCES IN DIGITAL BANKING

Your Santander Investment Services (SIS) retirement and non-retirement account balances can be viewed in online and mobile banking for personal banking customers in the account “Overview” section and within the “Investments” tab. A. SERVICE HOURS AND AVAILABILITY

Digital Banking is available 365 days a year (366 in a leap year) and 24 hours a day, except during system maintenance and upgrades. Mobile Banking availability depends on the wireless network you use and may not always be available depending on your location.

B. CANCELING YOUR ONLINE AND MOBILE BANKING SERVICES

Your Digital Banking services remain in effect until they are terminated by you or by us. You may cancel your service at any time by notifying us of your intent to cancel in writing, or by calling the Customer Service Center at 877-768-2265.

This cancellation applies to your online and mobile banking services only and does not terminate your Santander accounts. Prior to notifying us that you wish to discontinue the services, we strongly suggest that you:

1. Cancel any Scheduled Payments.
2. Cancel any automatic scheduled transfers.
3. Cancel any electronic bills and wait until you have received your first paper statement from the Biller.

C. CLOSING PAYMENT ACCOUNTS

It is your responsibility to cancel or move any Automatic Payment associated with a Payment Account you close. If you close all of your checking accounts, you also need to cancel any pending payments and the BillPay service. There may still be pending payments, or payments that have not yet cleared your account; it is your responsibility to maintain your account long enough for the payments to clear or to issue stop payments on the outstanding payments and to make other payment arrangements.

D. BILLPAY ACCOUNT ACCURACY

It is your sole responsibility to ensure that the information in "My Profile & Preferences" in the "Customer Service" tab (called "Profile" in Mobile) of Digital Banking is current and accurate. This includes, but is not limited to, name, address, phone number(s), and email address.

Changes can be made either within "My Profile & Preferences" in the "Customer Service" section or by contacting the Customer Service Center. Furthermore, it is your responsibility to provide accurate and updated Biller account numbers and Biller information. We are not responsible for any payment processing errors or fees incurred if you do not provide accurate Biller account or personal information, or do not have sufficient funds to satisfy the payment.

E. CHANGES TO AGREEMENT

We may change the terms of this Agreement at any time. We will notify you of the changes as required by law. Your use of Digital Banking, including any new or additional service, after the effective date of the change will constitute your acceptance of and agreement to the change. We may terminate your participation in the Digital Banking services for any reason, including inactivity, at any time. We will try to notify you in advance, but we are not obligated to do so.

F. COMMUNICATIONS

You agree that we may send, by electronic communication, any information required to be sent to you in writing under Regulation E and the Electronic Fund Transfer Act. Electronic mail (email) is not a secure method of communication and we recommend that you do not send confidential information by email, unless you send us a message using the secure BillPay Message Center. If you elect to receive e-Bills, reminders, or Alerts, you acknowledge acceptance of these notifications, regardless of other marketing preferences you may have indicated at Santander.

G. COMMUNICATING WITH YOU

From time to time, Santander may send you email communications relating to Digital Banking products, features, services, and activation programs. We may also send you service-related or account-specific emails.

If your email address changes or if you wish to opt out of non-service-related communications, please update your email address within Digital Banking or visit santanderbank.com/companyinfo/privacy.

H. TRANSFERS FROM MONEY MARKET OR SAVINGS ACCOUNTS

Withdrawals and transfers from your savings and money market savings accounts are limited by federal law. You can withdraw or transfer funds from a savings or money market savings account a total of six (6) times per Service Fee Period (such as by automatic or pre-authorized transfers using telephone banking, online banking, mobile banking, overdraft protection, payments to third parties, wire transfers, checks, and drafts). We will charge you a fee if you exceed these limits. If you repeatedly exceed these limits, we may close your account or convert it to another type of account that does not limit withdrawals, and it may be an account that pays less or no interest. If we elect to close or convert your account, we will notify you.

I. CONTACT BY SANTANDER OR AFFILIATED PARTIES

No Santander employee, nor any company affiliated with Santander, will contact you via email or phone requesting your User ID and/or password. If you are contacted by anyone requesting this information, please notify us immediately.

1. Where it is necessary to complete transactions or investigate transaction errors and verify transactions.
2. Where we have a third party provide services on our behalf.
3. In order to verify the existence and standing of your account(s) with us upon the request of a third party, such as a credit bureau, merchant, or Biller.
4. In accordance with your written permission.
5. In order to comply with court orders or government or administrative agency summonses, subpoenas, orders, examinations, and escheat reports.
6. On receipt of certification from a federal agency or department that a request for information is in compliance with the Right to Financial Privacy Act of 1978.

K. ACCOUNT STATEMENTS

We report your Digital Banking transactions on the monthly statements for your linked accounts. A description of each transaction, including the payee, the date, and the amount of the transaction, as well as the check number will appear on your statement.

You have the option to select paperless statements for certain accounts. You can enroll, cancel, and re-enroll in the paperless option at any time. When you opt for paperless, we will stop sending you a paper version of your statement by regular mail. You will see paid checks electronically and will no longer receive printed copies or images of your checks. By selecting paperless, you not only agree to receive your statement online, but also agree to receive certain notices that we send with your statement online. We do reserve the right to send you notices and any other documents (including statements if necessary) by the United States Postal Service.

When you select paperless for statement delivery, we will email you when a new statement or document is available online for you to view. You are responsible for keeping your email address current with Santander and for adding Santander's email address to your address book to make sure our emails arrive in your inbox.

- f. If you reside in a State where we don't have a branch, your account will be assigned to Delaware.

If additional time is needed, your account will be credited within ten (10) Business Days for the amount you think is in error, while the investigation is pending.

If we require your written confirmation and do not receive your complaint or question in writing within ten (10) Business Days, we may not credit your account. We may also not credit your account if the primary purpose of a transaction was to purchase securities or commodities regulated by the Securities and Exchange Commission or the Commodity Futures Trading Commission.

We will tell you the results within three (3) Business Days after completing our investigation. If we decide that there is no error, we will send you a written explanation. You may ask for copies of the documents we use in our investigation. If we credited your account, you must repay us if we conclude no error has occurred.

You could lose all your money in the account(s), including the available balance in your overdraft line of credit or other credit account(s), if you take no action to notify us of the loss of your password. If you notify us of the loss, your liability for unauthorized transfers will be as follows:

2. If you do NOT tell us within two (2) Business Days after you learn of the loss or theft of your password, and we can prove we could have stopped someone from using your password without your permission if you had told us, you could lose as much as \$500.00.
3. Also, if your monthly statement shows transactions that you did not make and you do not contact us within sixty (60) days after the statement was mailed (or electronically submitted) to you, you may not get back any money lost after the sixty (60) days if we can prove that you're contacting us would have prevented the losses.
4. If a good reason, such as a trip or an extended hospital stay, kept you from telling us, we will extend the above time periods.

C. OUR LIABILITY FOR FAILURE TO COMPLETE AN ELECTRONIC FUND TRANSACTION

If we fail to complete a transaction on time or in the correct amount, when properly instructed by you, we will be liable for certain damages ultimately caused by our failure unless:

1. There are insufficient funds in your account to complete the transaction through no fault of ours.
2. The account has been closed.
3. The funds in your account are unavailable.
4. The funds in your account are subject to legal process.
5. The transaction you requested would exceed the funds in your account plus any available overdraft credit.

7. We have reason to believe the transaction requested is unauthorized.
8. The failure is due to an equipment breakdown, which you knew about when you started the transaction.
9. The failure is due to a loss of power or Internet connectivity during your session when you were not provided, or did not record, your transaction confirmation number.
10. The failure was caused by a fire (or some other catastrophe), an electrical or computer failure, or another cause beyond our control.
11. You attempt to complete a transaction using the service that is not a permissible transaction.
12. The transaction would exceed security limitations on the use of the service.
13. You have not given us complete information or properly followed our procedures on how to complete a transaction.

There may be other exceptions in our Personal Deposit Account Agreement or other agreements between us. In any case, we shall only be liable for actual proven damages if the failure to make the transaction resulted from a bona fide error despite our procedures to avoid such errors.

EXCEPT AS SPECIFICALLY SET FORTH HEREIN OR WHERE THE LAW REQUIRES A DIFFERENT STANDARD, WE SHALL NOT BE RESPONSIBLE FOR ANY LOSS, DAMAGE OR INJURY OR FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, ARISING FROM OR RELATED TO THE SYSTEM, EQUIPMENT, BROWSER, APPLICATION AND/OR THE INSTALLATION OR MAINTENANCE THEREOF, ACCESS TO OR USE OF THE ONLINE SERVICE OR OUR DIGITAL PLATFORMS, AND/OR THE INSTALLATION OR MAINTENANCE THEREOF, ACCESS TO OR USE OF THE ONLINE SERVICE, YOUR GRANTING US SCREEN SHARING OR REMOTE CONTROL ACCESS TO YOUR COMPUTER SYSTEMS FOR TECHNOLOGY SUPPORT, FAILURE OF ELECTRONIC OR MECHANICAL EQUIPMENT, THE INTERNET, THE SYSTEM, OR COMMUNICATION LINES, TELEPHONE OR OTHER INTERCONNECT PROBLEMS, BUGS, ERRORS, CONFIGURATION PROBLEMS OR INCOMPATIBILITY OF COMPUTER HARDWARE, SOFTWARE, THE INTERNET, OR THE SYSTEM, FAILURE OR UNAVAILABILITY OF INTERNET ACCESS, PROBLEMS WITH INTERNET SERVICE PROVIDERS, PROBLEMS OR DELAYS WITH INTERMEDIATE COMPUTER OR COMMUNICATIONS NETWORKS OR FACILITIES, PROBLEMS WITH DATA TRANSMISSION FACILITIES OR ANY OTHER PROBLEMS YOU EXPERIENCE DUE TO CAUSES BEYOND OUR CONTROL.

NO LICENSE TO YOU IS IMPLIED IN THESE DISCLAIMERS.

WE WILL ALSO NOT BE RESPONSIBLE FOR ANY TRANSFER OF FUNDS THE PRIMARY PURPOSE OF WHICH IS THE PURCHASE OR SALE OF SECURITIES OR COMMODITIES REGULATED BY THE SECURITIES AND EXCHANGE COMMISSION OR THE COMMODITY FUTURES TRADING COMMISSION.

V. ADDITIONAL PROVISIONS APPLICABLE ONLY TO BUSINESS ACCOUNTS

A. WHO MAY SIGN UP FOR AND USE THE ONLINE AND MOBILE BANKING SERVICES

Digital Banking may only be requested and used by the authorized signers of the business. Authorized signers are those individuals who have been appointed to act on behalf of the business and whose names and signatures are on the physical signature card. Each authorized signer may only access those accounts on which he or she is an authorized signer.

Digital Banking with BillPay is established under the name of the authorized signer. When logging in to the service, the user will see his or her own name in the "Welcome" areas, not the name of the business. Additionally, payments scheduled through the BillPay service will bear the name of the signer. To avoid posting issues with your payment, you should, in all instances, include the business name in the "Payment Note" area. Also, note that any authorized signer may transfer funds from your account to his or her personal account unless you ask us not to permit these transfers. If we see your account is a business account, we may also prohibit transfers to personal accounts.

B. PROTECTING YOUR USER IDENTIFICATION AND PASSWORD

You agree to: 1) keep your User ID and password secure and strictly confidential; 2) immediately notify us of any change in status, or authority, of any authorized signer on record with the bank; and 3) immediately notify us and select a new User ID or password if you believe your User ID or password may have become known to or used by an unauthorized person. The bank will have no liability to you for any unauthorized payment or transfer made using your User ID or password that occurs before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice. We may suspend or cancel your use of Digital Banking without notice from you if we suspect you're User ID or password is being used in an unauthorized or fraudulent manner.

C. WHAT PROVISIONS OF THIS AGREEMENT APPLY

If you are a business customer, all of Section IV and the subsection entitled "Disclosure of Account Information" in Section III J do not apply to you.

We do not charge a service fee for the use of Digital Banking. However, some services offered through Digital Banking, such as stopping payment on a check, may incur additional service fees. See our Business Deposit Account Fee Schedule for other fees and charges.

D. COMMUNICATIONS

You agree that we may send notices and other communications to the current address shown in our records. You further agree that Santander will not be responsible or liable to you in any way if information is intercepted by an unauthorized person, either in transit or at your place of business.

VI. MOBILE CHECK DEPOSIT

A. DESCRIPTION OF SERVICE

The Mobile Check Deposit service is only available within our Santander Mobile Banking Application when you install it on certain devices (including but not limited to smartphones and tablets) to capture electronic images of the front and back of certain checks and to then deposit those checks into the accounts you select.

B. ELIGIBILITY

In order to use this service, you must be an owner on the account into which you are depositing the check or someone authorized to make deposits to the account on behalf of the owner. Mobile Check Deposits can be made to personal checking and savings accounts, including money market savings accounts, but not to Certificate of Deposit (CD) accounts or any account in your Individual Retirement Account. We may terminate your use of Mobile Check Deposit at our discretion if you violate any of the terms of this Agreement or if checks you deposit using our Mobile Check Deposit service are repeatedly returned to us unpaid. Subject to the Restrictions set forth in Section D below, you may deposit personal checks, business checks and cashier's checks. Additionally, only checks drawn on a bank in the U.S. and payable in U.S. currency will be accepted through Mobile Check Deposit. You cannot deposit any check drawn on the account into which the check is being deposited. We may change the types of checks we accept through Mobile Check Deposit or limit your ability to deposit certain types of checks, at any time without prior notice to you if required for security reasons.

C. HARDWARE AND SOFTWARE REQUIREMENTS

To utilize this service, you must be enrolled in our Digital Banking service. You must also download our Mobile Banking App. Your device must have the ability to capture images of sufficient quality in order to complete a deposit, and we reserve the right to reject any check you try to deposit if the image of the check does not meet our standards. You are responsible for all costs of using our Mobile Deposit Service and operating your device, including any cellular and Internet service charges.

D. RESTRICTIONS

When using Mobile Check Deposit:

- You may only deposit original checks payable to you or, if the account into which the check is being deposited has more than one owner, payable to some or all of the owners of the account, but not to anyone else.
- You must endorse the check with your signature and "For Mobile Deposit Only" on the reverse of the check.
- Under no circumstances are you permitted to negotiate a check you have deposited using Mobile Check Deposit a second time with us (whether through Mobile Check Deposit, at a branch, or at an ATM) nor are you permitted to negotiate the same check with any third party, including another bank.
- You will keep the original check for a minimum of fourteen (14) days after submitting the images for deposit and when the check is no longer needed, you will destroy the original check in a secure manner, such as shredding it.
- You must store the original check in a safe location and take steps to ensure that no unauthorized person can access the original check.
- You will not deposit duplicate checks or check copies (fees may apply, review your fee schedule for more details).
- You will not deposit any check that had previously been returned unpaid.
- You will not deposit ineligible items, such as traveler's checks, checks in foreign currency, Money Orders, U.S. Treasury, U.S. Government checks, or savings bonds.
- You will only submit items that contain machine-readable MICR data at the bottom of the check.
- You will cooperate with us during any investigation of transactions, including disputed or unusual items, and if necessary, you will provide upon request any originals or copies of items in your possession and any records relating to checks you submitted for deposit.

E. LIMITS

We may place limits on the amount, number, or type of checks you deposit using Mobile Check Deposit. You will be notified of said limits on screen when you use the Mobile Check Deposit feature, except that advance notice may not occur if the limits are imposed for security reasons. If you attempt to make a deposit in violation of these limits, we may accept or reject the Mobile Check Deposit at our discretion. If we accept a deposit that exceeds the established limits, it is still subject to this Agreement.

F. FUNDS AVAILABILITY

The checks you deposit using Mobile Check Deposit are not considered received by us until we have sent you a message confirming that we have received your deposit. If we receive and accept a deposit before 10:00 p.m. ET, we consider that day to be the day of your deposit. If a deposit is received after our cut-off time or on a day that is not a Business Day, such as on a weekend, we will consider the deposit to be made as of the next Business Day we are open. Checks deposited using Mobile Check Deposit will be available in accordance with the Funds Availability Policy in our Personal Deposit Account Agreement.

G. COMMUNICATIONS

You agree to provide an email address that will be used for notifications regarding the status of your deposits made through Mobile Check Deposit. In certain circumstances, some disclosures may be provided by email. You agree that you will, if we ask, provide a current and valid email address and that you will tell us immediately if your email address changes. If you change your email address, you must notify us by updating your email address in Digital Banking, by calling our Customer Service Center, or by visiting a branch. If we deliver disclosures to you using the information we have on file, you will be deemed to have received the disclosures, even if our message is returned to us by an Internet service provider as undeliverable, for example.

H. FEES

You are responsible for paying any fees related to this service. We have the right to change the fees for this service at any time. You authorize us to deduct any fees that may be assessed directly from the account in your name into which a deposit is made.

I. LIABILITY

You are solely responsible for any check you deposit, whether through Mobile Check Deposit or using another means we make available to you. If you violate the terms of this Agreement or if a check is returned to us unpaid, regardless of when that check is returned and regardless of the reason for the return, we reserve the right to debit your account for the amount of the check. You should take extra care when depositing a check from a person or business you do not know.

We will not be liable to you for any losses or damages other than those caused solely and directly by our gross negligence or willful misconduct. Our liability will never exceed your actual damages. We are not liable for any indirect, special, or consequential damages you may incur.

You acknowledge that the service is provided to you 'as is' and your use is at your own risk.
